ABOUT MONDE DESIGN

Established in 2019, Turkey, *Monde Design* is a company dedicated to pioneering advancements in caravan design and manufacturing. Our founding team comprises experienced professionals in architecture, industrial production, marketing, and trade, united by a shared passion for nature and environmental consciousness. These core values form the bedrock of the Monde Design brand.

Our design philosophy centers around sustainability, innovation, ergonomic considerations, and aesthetic excellence. We aim to contribute to the caravanning industry by strengthening the bond between humans and nature. We achieve this by utilizing eco-friendly materials and manufacturing techniques, developing modern and functional designs, and promoting the caravanning lifestyle.

Key features of *Monde Design Caravans* include:

- ◆ **Sustainability:** Implementation of environmentally friendly technologies such as solar panels
- ◆ **Innovation:** Pioneering solutions such as modular furniture, and compact designs.
- ◆ **Ergonomics:** Prioritizing user comfort and safety through ergonomic design principles.
- ◆ **Aesthetics:** Cultivating an aesthetic sensibility in caravans through modern and stylish designs.

Monde Design Caravan aspires to play a leading role in the caravanning industry and contribute to its overall advancement. Through our commitment to sustainable and innovative design, we strive to redefine the caravanning experience and strengthen the connection between humans and nature.

MONDE DESIGN CARAVANS: EMBARK ON UNFORGETTABLE JOURNEYS

Monde Design Caravans caters to the spirited adventurer with its meticulously crafted collection of compact, minimalist caravans. Each model seamlessly blends elegance, comfort, and safety, ensuring an unparalleled travel experience

UNWAVERING DEDICATION TO QUALITY

Premium Chassis: ALKO and KNOTT brand chassis provide a robust foundation for every caravan.

Durable Construction: The hybrid exterior shell, combining fiberglass and CTP panels, offers enhanced strength and weather resistance. The wall thickness is 35 mm.

Superior Insulation: 32 dns XPS (extruded polystyrene foam) is used as insulation material on the floor, walls, and ceiling.

Customization Options: Personalize your caravan's exterior with an array of color choices.

Uncompromising Functionality: Double-walled plexiglass windows with blackout curtains and mosquito nets deliver exceptional comfort and privacy.

Marine-Grade Interiors: Laminate-coated marine poplar plywood guarantees lasting durability and a sophisticated aesthetic.

SPACIOUS COMFORT WITHIN COMPACT DESIGNS

Despite their streamlined exteriors, each Monde Design Caravan boasts a surprisingly spacious and comfortable interior. Diverse models cater to varying needs, offering various accommodation capacities and functional areas, including well-equipped kitchens and bathrooms.

DISCOVER YOUR IDEAL ESCAPE

Monde Design Caravans proudly presents three distinct models;
